

INPUT's 1986 INFORMATION SYSTEMS EXECUTIVE PANEL

Dear Executive Panel Member:

We thank you for your continued support of INPUT's ongoing research efforts. Your reliable and consistent participation lends continuity to our research and helps us identify directions and trends in the computer services industry.

As you know, the computer industry is in turmoil. INPUT, an authoritative source on trends and directions in the computer industry, needs your thoughts and observations on what is happening. Your participation in this Information Systems Executive Panel will help identify these trends.

In return for your participation, INPUT will provide you with the results as they apply to your industry. Please be assured that all answers are held confidential and the data you supply will only be reported in the aggregate.

Please help us report accurately what is happening in the industry, enabling us to provide you with this valuable information.

Thank you in advance for your participation.

Sincerely,

Peter A. Cunningham
President

Company Name _____

Address _____

City, State, Zip _____

Telephone No. _____

Respondent Name/Title _____

Total No. of Employees _____

Annual Sales (\$ million) _____

If size is measured by
some other scale, please
indicate size and scale

Is this a division or
subsidiary?

8. Please rate on a scale of 1-5 (5 being very important and 1 being not important at all) the following IS issues.

Personnel staffing and skills _____

Connectivity _____

System integration _____

Standards _____

Management understanding _____

User expectations _____

Inadequate IS funding (budget) _____

Communications management _____

Hardware/software management _____

IBM directions _____

Other vendor directions _____

Who? _____

Application development delays and overruns _____

End-user computing _____

Micro-mainframe links _____

AI/expert systems _____

Departmental systems _____

Office systems _____

Other (please list)

INPUT's 1986 INFORMATION SYSTEMS EXECUTIVE PANEL

9. Please rank your most important strategic, tactical, and operational issues starting with the most important. Please comment on each if appropriate.

<u>ISSUE</u>	<u>COMMENT (reason for ranking)</u>
<u>Strategic</u> (2-5 years or longer)	
1 _____	_____
2 _____	_____
3 _____	_____
<u>Tactical</u> (1-2 years)	
1 _____	_____
2 _____	_____
3 _____	_____
<u>Operational</u> (Now)	
1 _____	_____
2 _____	_____
3 _____	_____

10. What has been the most significant event within your company's industry that has, or will, affect your IS department?

11. How is information technology being used to give either your company or your competitor a competitive advantage?

INPUT's 1986 INFORMATION SYSTEMS EXECUTIVE PANEL

12. What will the impact of new technology development be on your company or industry?

13. What needs of yours are not being satisfied by the vendors?

14. What additional information on your industry's use of IS would be useful to you?

THANK YOU FOR RESPONDING TO INPUT's 1986 INFORMATION SYSTEMS EXECUTIVE PANEL

Call me if you would like to discuss any of these issues further. Please enclose these pages in the accompanying postage-paid envelope and mail as soon as possible.
